RE: Notice of *Ex Parte* Communication: In the Matter of 2022 Quadrennial Regulatory Review, Media Bureau Docket 22-459

Dear Ms. Dortch:

Cumulus Media Inc. (“Cumulus”), by its counsel, hereby files this notice of *ex parte* communication in the above-referenced proceeding. On June 10, 2026, Mary Berner, President and CEO of Cumulus, and Collin Jones, executive Vice President, Corporate Strategy and Development of Cumulus, met with Chairman Brendan Carr to discuss broadcast radio ownership issues that are the subject of the Commission’s 2022 Quadrennial Regulatory Review. Ms. Berner and Mr. Jones addressed the need for quick and substantial relaxation of the radio ownership rules. They also emphasized that significant relaxation of the radio ownership rules would be required for companies in the industry to invest in the future of radio and preserve localism.

Ms. Berner and Mr. Jones also discussed the pending Chapter 11 bankruptcy proceedings regarding Cumulus, including the applications for Commission consent to the transfer of control which will result from Cumulus’ emergence from bankruptcy, and the anticipated timeline and outlook with respect thereto.

Should there be any questions concerning this matter, please contact the undersigned.

Very truly yours,

/s/David D. Burns
